Requesting Councillor:	Councillor J Natoli Councillor J O'Pray		
Item:	8.2 – Financial Performance Report		
Circulation	12 February 2024		
Officer:	Chief Financial Officer	Approving GE:	Acting Group Executive Business Performance

In response to a question raised by Councillors Natoli and O'Pray, please note the following additional information for your consideration.

Question:

There has been a net reduction from July 2023 of the 4.1% in the transitory accommodation back to permanent. Can you give us a break down on where the transitory have moved back to permanent? Was it tourist areas or residential?

Response:

The net reduction from July 2023 in the transitory accommodation rating categories is 4.1% (net 261 properties).

- Net of 77 properties have moved to Principal Place of Residence (PPR)
- Net of 191 properties have moved to Non Principal Place of Residence (PPR)
- Net 7 properties have moved to transitory accommodation.

Question:

Is there a dollar value on the 261 dwellings going back to residential instead of transitory accommodation?

Response:

The net reduction from July 2023 of 4.1% in the transitory accommodation back to other categories equates to \$480,724. Note that there is no budgetary impact as a reduction in transitory accommodation was factored in the 2023/24 general rates budget.
